

NEED MAINTENANCE TECHNICIANS?!?!

Let IRG help! With over 20 years of nationwide recruiting experience and nearly 1,000 Maintenance Technician-related placements in all manufacturing environments, we can be your valued resource for finding qualified candidates.

\$10,000 FLAT FEE

All Maintenance Technician-related placements under \$35/hr starting wage will be a flat fee of \$10,000. Each placement is backed by our 90-day guarantee with 30-day net terms so you have the comfort of knowing IRG will guarantee all of our placements.

An initial “engagement fee” of \$3,000 is all that is required to get the process started. Finding quality Maintenance Technicians is difficult; don’t go to battle alone.

Maintenance Technician Search Fact Sheet

- Over 20 years of Maintenance Technician-related recruitment experience in all manufacturing industries. We are EXPERTS in the field.
 - IRG's team has nearly 1,000 Maintenance Technician-related placements.
 - In depth understanding of position requirements to ensure the most qualified candidates are submitted.
 - With engagement search, your position will be our #1 priority, not one of many positions like other contingency based firms.
-

- Leverage IRG's technology to gain access to qualified candidates not found on job boards or postings through our utilization of automation, artificial intelligence, an expansive referral program and aggressive social marketing campaigns.
-

- \$10,000 flat fee for hourly placements under \$35 per hour.
 - \$15,000 flat fee for hourly placements at or over \$35 per hour.
-

- All placements backed by IRG's 90 day guarantee which includes the option of a free replacement or credit towards future placements.
-

- Initial engagement fee of \$3,000 required prior to the commencement of a search by IRG.
 - Accepted payment includes credit card (Visa/MasterCard), ACH or check.
 - If client has multiple Maintenance Technician-related openings, only one initial \$3,000 engagement fee required.
 - In the instance that IRG is not able to provide a Maintenance Technician, the engagement fee will serve as a credit for future searches.
-

- Net payment terms 30 days from the candidate's start date
